Oh Madeleine, you're the light that shines and  
brightens up our days  
And we'll never ever give up on you  
Oh Madeleine, your laughter brings so much happiness  
to our lives  
And to find you there is nothing we won't do  
Oh Madeleine, just remember (remember)  
Oh Maddie, remember that we love you so very much  
And when we look into your eyes, and share the  
wonder of your smile  
We know we're gonna find you, it's just a matter of time

Oh Maddie, we send our love to you  
Oh baby, hugs and kisses too  
Oh Maddie, we keep you in our hearts  
You're so special, so special  
Doo doo doo doo  
Oh Madeleine

Oh Madeleine, all the joy that you have brought we'll  
never forget  
And we wonder where you are, where you are  
Oh Madeleine, you have blessed our lives forever ever  
and a day  
You're the reason who we are, who we are  
Oh Madeleine, just remember (remember)  
Oh Maddie, remember that we love you so very much  
And when we look into your eyes, and share the  
wonder of your smile  
We know we're gonna find you, it's just a matter of time

Oh Maddie, we send our love to you  
Oh baby, hugs and kisses too  
Oh Maddie, we keep you in our hearts  
You're so special, so special  
Doo doo doo doo

We send our love to you, our hugs and kisses too  
We keep you in our hearts, you're so special

Oh Maddie, we send our love to you

Oh baby, hugs and kisses too  
Oh Maddie, we keep you in our hearts  
You're so special, so special  
Doo doo doo doo

Oooh Madeleine
