Well your ma was up this morning and she says she got
your brew,
Well your ma was up this morning and she says she got
your brew,
Well your ma was up this morning and she says she got
your brew,
But sure your brew would be no good to you,
Theres a bed made, in Milltown just for you.

Well I'm going for my dinner now Bobby Sands,
Well I'm going for my dinner now Bobby Sands,
Well I'm going for my dinner now,
Would you like me to bring you back a doggy bag?
Theres a bed made in Milltown just for you.

Well the smell of your cell would knock you fucking out,
Well the smell of your cell would knock you fucking out,
Well the smell of your cell would knock you fucking out,
I've a good mind to go in there and beat you about,
There's a bed made in Milltown just for you.

Well I'm going for my dinner now Bobby Sands,
Well I'm going for my dinner now Bobby Sands,
Well I'm going for my dinner now,
Would you like me to bring you back a doggy bag?
Theres a bed made in Milltown just for you.

Would you like to try a nice wee tin of Coke (Bobby
Sands)?
Would you like to try a nice wee tin of Coke (Bobby
Sands)?
Would you like to try a nice wee tin of Coke?
Well your not fucking getting none, I hope you choke,
There's a bed made in Milltown just for you.
