Lions always hit the heights  
'Cause they kill, it's always been an easy way out

Lions always hit the heights  
'Cause they kill, it's always been an easy way out

After a couple of drinks I think straight  
Tears of joy sort the little girl out  
Something you always wanted

And curvy Lorraine always leads the way  
Admitting her love, it drips and drips  
Something you always wanted

Gini, Gini, look at me, Gini  
I let the stare that tries to cripple you  
Slide down my back

Gini, Gini, speak to me, Gini  
I let the words they shove in front of you  
Crawl right back

Lions always hit the heights  
'Cause they kill, it's always been an easy way out

Lions always hit the heights  
'Cause they kill, it's always been an easy way out

'Cause we take this world by storm  
We don't look back  
Let the stare that tries to cripple you  
Slide down my back

'Cause the wheels keep us far apart  
We can't look back  
Let the words they shove in front of you  
Crawl right back

Lions always hit the heights  
'Cause they kill, it's always been an easy way out

Lions always hit the heights

'Cause they kill, it's always been an easy way out

Lions always hit the heights

'Cause they kill, it's always been an easy way out

Lions always hit the heights

'Cause they kill, it's always been an easy way out

Lions always hit the heights

'Cause they kill, it's always been an easy way out
