"If I Fall"

It seems so far to go
It took so long to get here
Now I'm saying things I swore I'd never say
And I'm afraid again

I thought I had it in me
I used to be so sure
There I was stronger than ever
Here I am blaming the hurt

And if I fall
I will find a way back to my hands
I'm the only one who can help me find my feet
Again
Sweet little fighter
Sweet little scar
Sweet little fire in my heart

It seems so easy now
Everything I dreamed about when I was a child
It looks like a good place here
So I think I'll stay for awhile

And if I fall
I will find a way back to my hands
I'm the only one who can help me find my feet
Again
Sweet little fighter
Sweet little scar
Sweet little fire in my heart

You came here screaming
And never stopped to listen to your one and only prayer
A place for you somewhere

Sweet little fighter
Sweet little scar
Sweet little fire in my heart

And if I fall
I will find a way back to my hands

I'm the only one who can help me find my feet
Again
Sweet little fighter
Sweet little scar
Sweet little fire in my heart
