I woke up last night and I though I was gonna die
(Oh, sad)
I woke up last night and I though I was gonna die
(Oh, sad)
The doctor came a runnin' and my family stood by
(Well, now say)
He left three bop pills for ten, two and four
(Three bop pills)
He left three bop pills for ten, two and four
(Three bop pills)
Hey man, when they hit me
I landed in the middle of the floor
(Ah, sad)
And I bopped the rock 'n' roll
Like I never have before
And I bopped the rock 'n' roll
On every inch of that floor
Yeah B-O-P bop, well P-I-L-L-S, bop pills

I went to see ol' doc and I couldn't get near his shack
(Loaded man)
I went to see ol' doc and I couldn't get near his shack
(Yeah, sad)
They were creepin' through the front door
And boppin' right on out the back
(I'm tellin' you)
I waited eight long hours, just to knock upon his door
I waited eight long hours, just to knock upon his door
I came to pay my bill, brought money for a hundred
more
(Ah, sad)
And I bopped the rock 'n' roll
Like I never have before
And I bopped the rock 'n' roll
On every inch of that floor
Hey B-O-P bop, say P-I-L-L-S, bop pills
