I'll always think of you  
Inside of my private thoughts  
I can imagine you  
Touching my private parts  
With just the thought of you  
I can't help but touch myself  
That's why I want you so bad  
Just one night of

Moonlight, with you there beside me  
All night, doin' it again and again  
You know I want you so bad  
Baby, baby, baby

Ooooh, I get so high  
When I'm around you baby  
I can touch the sky  
You make my temperature rise  
You're making me high  
Baby, baby, baby, baby

Makin me high (high)  
Dats a where mi airplane fly (fly)  
Navigator under main thigh  
First class service nah  
Yah big long john supply

Well, cruz mi a cruz to the entering sign  
Over charge driver where di Cobra prescribe  
Double up ya pleasure, I am well qualified  
Fi give ya pleasurable ride

Can't get my mind off you  
I think I might be obsessed  
The very thought of you  
Makes me want to get undressed  
I want to be with you  
In spite of what my heart says  
I guess I want you too bad  
All I want is

Moonlights, with you there inside me  
All night, doin it again and again  
You know I want you so bad  
Baby, baby, baby, baby

Ooooh, I get so high  
When I'm around you baby  
I can touch the sky  
You make my temperature rise, oh boy  
You're making me high  
Baby, baby, baby, baby

I want to feel your heart and soul inside of me  
Let's make a deal, you roll, I lick  
And we can go flying into ecstasy  
Oh darling you and me  
Light my fire  
Blow my flame

Take me, take me, take me away

Under di moon light (light)  
Nonstop lovin all night (night)  
She and mista flex a do it right (right)  
Once she haffi put on di scribe  
Yes really right

Well, love how mi mix up, she love how mi blend  
Request mi another day fi come do it again  
Unleash mi passion, har arms are open,  
Dis romance can't end
