I am young but I know the pain you feel  
You feel like there is no hope for you  
But I'm here to say God says, "That's not true"  
I know that you may have some questions in your mind,  
in your mind

Like you ask the Lord  
"How long will I go through these changes?"  
And He replies, "Until you realize  
That I am the source of your life, of your life"

He doesn't care about all the things you've done  
Jesus is love so you don't have to run  
Give Him your life, He is the only one  
'Cos Jesus loves everyone even you, even you, even  
you

So you seem to think that you're too far gone  
The love of God can reel you back in, yes, He can  
And fill your heart with peace and erase all the sin  
Please let Him in, He wants to use you for His glory, for  
His glory

I know sometimes you feel like saying  
"I just can't make it"  
But with the help of God, He will see you through  
Don't you feel His love drawing you, yeah, drawing  
you?

He doesn't care about all the things you've done  
Jesus is love so you don't have to run  
Give Him your life, He is the only one  
Jesus loves everyone even you, even you, even you,  
yea

Halleluiah, thank you, Jesus

Whoever is listening out there, I'm here to encourage  
you  
'Cos my concern with your past  
Or even the present state that you're in  
But He wants you to overgo hard and let Him in 'cos He

loves you

Jesus loves you, Jesus loves you  
Jesus loves you, Jesus loves you  
Jesus loves you, Jesus loves you  
Jesus loves you, Jesus loves you

Jesus loves you, Jesus loves you  
Jesus loves you, Jesus loves you  
Jesus loves you, Jesus loves you  
Jesus loves you, Jesus loves you
