I've been down, but at least I'm movin'
Down and out, but at least I'm breathin'
Ohooohhhh
No one ever told me that this world would be easy.
Don't believe He got me this far just to leave me.
The devil is a liar and I won't let him deceive me.
If I put my trust in Jesus, sure He'll make it all right.

He'll make it all right, in the middle of the night.

He said it.

I believe it.

And I'm telling you, there ain't no failure!

He, He, He, won't fail ya, [whooh!]

He, He, He, won't fail ya, [whooh!]

He, He, He, won't fail ya,

He, He, He, won't fail ya,

Jesus won't FAIL U

(Won't fail u)

He won't, Jesus won't FAIL U

(Won't fail u)

He won't, Jesus won't FAIL U

(Won't fail u)

He won't, Jesus won't FAIL U

Cold and lonely, but at least I got me

Isolated, but it ain't gon' stop me

Ohhhhhhhh

[No one ever told me that this world would be easy]

Don't believe He got me this far just to leave me.

The devil is a liar and I won't let him deceive me.

If I put my trust in Jesus, sure He'll make it all right.

He'll make it all right, in the middle of the night.

He said it.

I believe it.

And there is no failure!

He, He, He, won't fail ya, [whooh!]

He, He, He, won't fail ya, [whooh!]

He, He, He, won't fail ya,

He, He, He, won't fail ya,

Jesus won't FAIL U

(Won't fail u)

He won't, Jesus won't FAIL U
(Won't fail u)
He won't, Jesus won't FAIL U
(Won't fail u)
He won't, Jesus won't FAIL U
[There is no failure]
He, He, He, won't fail ya
[There is no failure]
He, He, He, won't fail ya,
He, He, He, won't fail ya,
He, He, He, won't fail ya,
Jesus won't FAIL U
(Won't fail u)
He won't, Jesus won't FAIL U
(Won't fail u)
He won't, Jesus won't FAIL U
(Won't fail u)
He won't, Jesus won't FAIL U
Fail u
Fail u
Fail u
(Ohhhh, OW!!)

[That's right]
1, 2, 3, c'mon!

This one's for Sac-Town!
No one ever told me that this world would be easy.
Don't believe He got me this far just to leave me.
The devil is a liar and I won't let him deceive me.
If I put my trust in Jesus, sure He'll make it all-

He, He, He, won't fail ya,
He, He, He, won't fail ya,
He, He, He, won't fail ya,
He, He, He, won't fail ya,
Jesus won't fail u
(Won't fail u)
He won't, Jesus won't fail u
(Won't fail u)
He won't, Jesus won't fail u
(Won't fail u)
He won't, Jesus won't fail u
[2x]

Fail u
Fail u
Fail u
