"I Have Decided"

I have decided to follow Jesus
I have decided to follow Him
I have decided to follow Jesus

No turning back, no turning back
No turning back, no turning back

I have decided to follow Jesus
I have decided to follow Him
I have decided to follow Jesus

No turning back, no turning back
No turning back, no turning back

Some folks would rather have houses and land
Some folks choose silver and gold
These things they treasure and forget about their souls
I decided to make Jesus my choice

Some folks would rather have houses and land
Some folks choose silver and gold
These things they treasure and forget about their souls
I decided to make Jesus my choice
