(Tonex)

You know my other side. I can no longer hide. Let you
down so many
times. Sin freshly crucifies. Thought that I had a plan. I
had it all
figured out. But, the more that you tried to be by my
side, the more
I pushed you out.

(Chorus)

Lord make me over (oh)
Lord make me over (oh)
Lord make me over (make me over again)
Make me over again (is there anybody in this place
saying make me
over again) Make me over again

(Tonex)

Time after time, I've failed you. Pierced your side when
they already
nailed you. Jesus you healed my open wounds. Oh Lord
I just want
to be more like you. Father I let you down. What's not
like you just
take it out. Reconcile me Jesus. I just want to please
you. Wash me
and make me whole.

Chorus

I'm tired of myself, I'm tired of my evil ways yeah.
Every day it's the
same time and the same thing it's the same. And I'm
ready for a
change Lord. Create in me a clean heart and renew a
right spirit
within me. Wave your hands in here and help me say
Oh.

Chorus
