Come one and worship Him
Come one and worship Him
Where are the worshipers?
Hallelujah Lord, Hallelujah Lord

Lord, usher me
Lord, summon me
Lord, let me enter in Your presence
Take me to the Spirit Realm

Usher me
Lord, summon me
Lord, let me enter in Your presence
Take me to the Spirit Realm

There is healing in the Spirit Realm
Lord, just take me to the Spirit Realm
No more mysteries in the Spirit Realm
You arrest me in the Spirit Realm

Usher me
Lord, summon me
Lord, let me enter in Your presence
Take me to the Spirit Realm

There is healing in the Spirit Realm
Lord, just take me to the Spirit Realm
No more mysteries in the Spirit Realm
You arrest me in the Spirit Realm

Lord, usher me
Lord, summon me
Lord, let me enter in Your presence
Take me to the Spirit Realm

Take me
Take me
