When I was just a kid, I used to think about it  
The day when I would have a girl to call my own  
I searched a lifetime and I prayed to God about it  
Then you came and changed my life  
With a love I've never known, so what do I do, yeah?

Every night when I pray, it's for you  
Anything that you ask me, I'll do  
Want to spend my forever with you  
I'm complete as a man thanks to you

The first time we went out, remember you couldn't  
speak?  
My heart it raced so fast I just couldn't seem to eat  
At work, I couldn't function had to hear your voice  
Head over heels for you and that is why  
I made a choice and I choose you, yeah

Every night when I pray, it's for you  
Anything that you ask me, I'll do  
Want to spend my forever with you  
I'm complete as a man thanks to you

I tried and I tried and couldn't shake it  
I tried to play it off but let's just face it  
I'm in love with you, darlin'

You turned my world upside down  
And made my dreams reality  
Nothin' else matters to me  
The only thing that concerns me is you

Every night when I pray, it's for you  
Anything that you ask me, I'll do  
Want to spend my forever with you  
I'm complete as a man thanks to you

Every night when I pray, it's for you  
Anything that you ask me, I'll do  
Want to spend my forever with you  
I'm complete as a man thanks to you

Every night when I pray, it's for you
