[Chorus]

Witness the come-up, it's Kapp, this shit ain't only just rap

This is my life on the track, this is a matter of fact
I know the game and its traps, hooked on this beat like it's crack
Somebody bound to react, but I will bomb back

[Madd Kapp]

People take personal shots, personalizin they disses
I just dismiss it as bullshit, horse's mouth always spittin
Some venom in it, pretendin the chance of winnin
Against me there's only endin, the square that I've
been defendin

is guarded so it's just senseless to FUCK, with my
relentless

Just swingin right for the fences invadin your
residences

Hey hey~! Stand at attention, the general just took the
floor

Say prayers, take all your vitamins, BROTHER I'M TOO
RAW

Invitin the whole world to finish my Rubik's Cube
My brain don't work the same, don't mean to come off
this rude

Just spittin some written words, different from the herd
I'm only tryin to get heard, flippin the industry the bird
Maybe I'm off in the head, but I'm never soft in the
head

Many groups I lead, I taught 'em how to fish now they
fed

Vividly seein red, so FUCK what a hater said
I don't give a damn about it, welcome to Crazy College,
ha ha

[Chorus]

[Interlude]

And this is not a real song, and this is not a real song
This is some shit I put on, it's just some shit I spit on
And this is not a real song, this is not a real song

This is not a real song, it's just some shit I spit on

[Chorus]

[Madd Kapp]

The shortest verse ever written, you wanna hear it just listen

to my ridiculous mission, I wrote it while I was pissin

It's time to get out of here, but I know you're waitin to hear

the next song and its near, now I can drink me a beer

And leave this beat in your ear, this room is smoky in here

I'm gettin tired of rappin in this uncomfortable chair

[Chorus]

[Outro]

Bomb back, bomb back, bomb back

Said I will bomb back, bomb back, bomb back

Yeah I will bomb back, bomb back, bomb back

And I will bomb back, bomb back, bomb back

Fucker
