Talk it to death

is your hair the right red

is it

OOOOOHHHH confidence girl

Hang it

emagine what it could be

stain it

a tree in make believe

drape it

let it fall just so around

paint it

put it up and take it down

your so obsessed

and is this the right dress

is it

OOOOOHHHHH confidence girl

Hang it

emagine what it could be

stain it

a tree in make believe

drape it

let it fall just so around

paint it

put it up and take it down

contemplate doom

as you sit in your room

there's a thing in your bed

do you wish it was dead

it is

Uh Oh
