how do you think i did it
with a check, with a smile
it takes a special person
to go that extra mile
what do you think i was after
make a friend for a while
i didn't want to do it
but i had to for my smile
picture this
what, do you think i liked it
are you stupid, are you nuts
i'd show you how i did it
but you haven't got the guts
i didn't want to do it
but i had to for my smile
it takes a special person
to go that extra mile
picture this
and the thighs, and i cried
and i tried forgetting highs
on attack, all was black

get the writing off my back

get off me
