He looks sick

He is sick

WOA!!

Home tonies and highballs

I'm happy to be sad

He looks dead

He is Dead

WOA!!

Your not the hero

That fuck

couldn't see

stereophonics, splitsville

and that's alright with me

He looks as light as a feather

he is as light as a feather

when I count to three we will lift him

Lucky I'm winter, a looker and there is shades of black

don't trouble the master he said don't bother him now

home tonies and highballs, he said don't bother him  
know

My boyfriend died
