Not long for this world are you jumpy are you bored

Call me

Don't understand how to be a better man

call me

Oopps uh oh

Oopps uh oh scary, scary

Oops uh oh

Want to withdraw read the writing on the wall

call me

can't find the words can not listen can't be heard

call me

Oopps uh oh

Oopps uh oh scary, scary

Oops uh oh

When the weight of the world is your forever more

call me

Burn candle wax while your whole world burns black

call me

Oopps uh oh

Oopps uh oh scary, scary

Oops uh oh

Oopps uh oh scary, scary

Oops uh oh
