You talk about me right behind my back
You think that I don't know what you say, yeah
You say I'm different and you can't believe
How all the boys, they always look my way
And when you think I can't improve no more
I'll take you higher to another extreme
I'm sassy, classy, with a touch of nasty
Lettin' out the sexy crazy in me

I'm crazy
Crazy
Ow

I'm wild and unruly, baby it's true
And I know that you don't know what you're gettin' into
But boy I promise that you'll like what you see
Cause I'm the best you'll ever get, they don't come
better than me
I'm crazy
Crazy

uh

I hear you talkin' what you won't admit
You can see the fire in my eyes
Like how I'm crazier than what you know
From my halo to my devilish smile

I'm crazy
Crazy
Ow

I'm wild and unruly, baby it's true
And I know that you don't know what you're gettin' into
But boy I promise that you'll like what you see
Cause I'm the best you'll ever get, they don't come
better than me

You give me rules and then I go and break em'
Yea, I'm crazier than crazy could get (ha ha)
I'm off the walls and that's just how I like it

Baby, you ain't seen nothin' yet

I'm wild and unruly, baby it's true
And I know that you don't know what you're gettin' into
But boy I promise that you'll like what you see
Cause I'm the best you'll ever get, they don't come
better than me

I'm wild and unruly, baby it's true
And I know that you don't know what you're gettin' into
But boy I promise that you'll like what you see
Cause I'm the best you'll ever get, they don't come
better than me

Cause I'm crazy (oh oh oh oh)
Crazy (uh uh)
Crazy (I know, oh)
I'm crazy
Crazy
