Can't stop, stop the hurting  
Can't stop, stop the breathing  
Can't stop, stop these tears for you, my dear

Don't know why it's so bad  
This life's been so bad  
I'm glad, I finally found you here

You're the voice of a dream I had  
You're the voice and I'm so glad  
You're the weight of a dream of a life come true

There's no denying  
I sometimes run and chase the moon  
I just can  
I sometimes run and chase the views  
And dream of you

My heart locked in absence  
My heart locked and fearful  
I see no one can be here today

My thoughts locked in thinking  
My thoughts locked believing  
I see no one can be here with me

You're the light of a dream I had  
You're the voice and I'm so glad  
You're the weight of a dream of a life come true

There's no denying  
I sometimes run and chase the moon  
And think of you  
I sometimes run and chase the views  
And not of you

I sometimes run and chase the moon  
But I'm just dreaming  
I sometimes run and chase the views  
But I'm still dreaming

Dreaming, I'm dreaming

Dreaming, I'm dreaming  
Dreaming, I'm dreaming
