Oh boy, I love you so  
And I will never let you go  
'Cause you mean everything to me  
I just wanna let you to hold me in your arms  
Forever I love you so  
And I will never let you go  
'Cause you know  
You're everything I want  
Everything I need  
Everything to me

I remember the first day  
When love just came to me  
It was the time when I met you  
It was love at first sight  
When I got to know you better  
I know for sure it's more than that I'm singing

Oh boy I love you so  
And I will never let you go  
'Cause you mean everything to me  
I just wanna let you to hold me in your arms  
Forever I love you so  
And I will never let you go  
'Cause you know  
You're everything I want  
Everything I need  
Everything to me

I can't wait for the time when  
We'll walk the aisle together  
Can't wait to say the words  
"I do", "I do"  
I love you more than you'd ever imagine  
And I feel that you love me as much as I do

I'm singing  
Oh boy, I love you so  
And I will never let you go  
'Cause you mean everything to me  
I just wanna let you to hold me in your arms

Forever I love you so  
And I will never let you go  
'Cause you know  
You're everything I want  
Everything I need  
Everything to me

Cause you know  
You're everything I want  
Everything I need  
Everything to me

Cause you know  
You're everything I want  
Everything I need  
Everything to me
