Let's chill, let's chill

From the first time  
I saw your face  
Boy I knew I had to have you  
I wanted to wrap you in  
My warm embrace  
Visions of your lovely face

All my love is for you  
Whatever you want I will do  
You're the only one I want in my life  
For you I'll make that sacrifice, oh

Let's chill  
Let's settle down  
That's what I wanna do  
Just me and you  
Let's chill  
Let's settle down  
That's what I wanna do  
Just me and you

I'm so happy  
To have you here standing right by my side  
Is it a dream or reality?  
Is this a fantasy?  
Please don't wake me  
All my love is for you  
Whatever you want I will do  
You're the only one I want in my life  
For you I'll make that sacrifice, so

Let's chill  
Let's settle down  
That's what I wanna do  
Just me and you  
Let's chill  
Let's settle down  
That's what I wanna do  
Just me and you

Whoa...

Let's chill  
Let's settle down  
That's what I wanna do  
Just me and you  
Let's chill  
Let's settle down  
That's what I wanna do  
Just me and you

Forever and ever  
Ever and ever  
Ever and ever, always  
Forever and ever  
Ever and ever  
Ever and ever, always
