In a perfect world
I could be someone
I could be your sun
And I will shine
In every step that you take

In a perfect world
I'll be the stars at night
So I could be your guiding light

[Refrain]
And if you're feeling out of place
I'll be a friendly face

[Chorus]
So fly with me, stay with me
In a perfect world
We'll be as free
In a perfect world

In a perfect world
We can be as free
Be what we want to be
Nothing's gonna break our love apart

In a perfect world
Where magic spells come true
A paradise for me and you

[Repeat Refrain and Chorus]

In a perfect world
There will never be a sad tomorrow
In a perfect world

[Repeat Chorus]
