feat. Sam Milby

She walks in and I'm suddenly a hero
I'm taken in my hopes begin to rise
Look at me can't you tell I'd be so
Thrilled to see the message in your eyes
You make it seem I'm so close to my dream
And then suddenly it's all there

Suddenly the wheels are in motion
And I, I'm ready to sail any ocean
Suddenly I don't need the answers
Cos I, I'm ready to take all my chances with you

How can I feel you're all that matters
I'd rely on anything you say
I'll take care that no illusions shatter
If you dare to say what you should say
You make it seem I'm so close to my dream
And then suddenly it's all there

Suddenly the wheels are in motion
And I, I'm ready to sail any ocean
Suddenly I don't need the answers
Cos I, I'm ready to take all my chances with you

Why do I feel so alive when you're near
There's no way any hurt can get thru
Longing to spend every moment of the day with you

Suddenly the wheels are in motion
And I, I'm ready to sail any ocean
Suddenly I don't need the answers
Cos I, I'm ready to take all my chances with you
