Chorus:

What?! You don't got what I want  
Why you gotta front  
Actin' like you hot

I had a feeling 'bout the other day  
How you thought you would play  
But things, are still the same  
But I'm hear to let you know today  
It ain't the same, I don't care anyway  
Did you think I was a chickenhead  
And I believed in things grown-ups said  
How you mistook me from someone else  
But now your silly games that you rollin' ?

Chorus:

What?! You don't got what I want  
Why you gotta front  
Actin' like you hot

What?! You don't got what I want  
Why you gotta front  
Actin' like you hot

Uh huh, See it's crazy how you treated me  
How I gave you more than you deserved, how you  
treated me  
Now I'm cooler, I mean I'm icy  
So you can hit the road and take back everything you  
gave to me  
Should have left a long time ago  
I let you stay, I let you play like a kitty-yo  
Can't erase me like a video  
First you love, then you crush and you kept it on the  
trilly yo

Chorus:

What?! You don't got what I want

Why you gotta front  
Actin' like you hot

What?! You don't got what I want  
Why you gotta front  
Actin' like you hot

Bridge:

I don't, want you  
'cause you, buggin' me, You keep playin' me  
What you think you kiddin' me  
You must forget it  
Thinking I want you  
'cause I'm not gonna do  
Even say bye to you

Chorus:

What?! You don't got what I want  
Why you gotta front  
Actin' like you hot

What?! You don't got what I want  
Why you gotta front  
Actin' like you hot

[Toni Speaking]

You don't got, what I want (uh uh, no)  
You don't got, what I want (You ain't got what I want)  
You don't got, what I want (no)  
You don't got, what I want (You don't, got what I want)  
You don't got, what I want (nooo, ooooh)

[Toni Singing]

No-bod-y, yeah, yeah (what I want)  
I cry, uh huh, yeah, why you gotta cry  
No, no, no, no  
What I, you, told  
Yeah yeah yeah yeaaaaahhh

Chorus:

What?! You don't got what I want  
Why you gotta front  
Actin' like you hot

What?! You don't got what I want  
Why you gotta front  
Actin' like you hot

\*Repeat chorus 'til fade\*
