What you gonna do Zimbabwae?  
What you gonna do Zimbabwae?  
What you gonna do Zimbabwae?

Zimbabwae is a man who tried  
To teach his children what was right  
But then there came a time when war  
Split the family from inside  
He said no fighting no more

What you gonna do Zimbabwae?  
What you gonna do Zimbabwae?  
What you gonna do Zimbabwae?

The old man sits and shakes his head  
While the multitudes insist  
Where is the cause of unity?  
Where is the thought that could be peace?  
Men gathered in silence the same

What you gonna do Zimbabwae?  
What you gonna do Zimbabwae?  
What you gonna do Zimbabwae?

Can there be some peace on earth?  
Can there be a love?  
Greater than the world we see  
Greater than us all  
It's the last station home  
It's the last station home

You ran your heart in those days  
When no one could see days  
You want to run in the wind

You want to go back inside  
See no more crime in your lifetime  
Zimbabwae, Zimbabwae  
No more crime in your lifetime  
Zimbabwae, Zimbabwae  
Zimbabwae, Zimbabwae

Zimbabwe, Zimbabwe  
Zimbabwe, Zimbabwe  
Zimbabwe, Zimbabwe  
...
