Dream on

Dream on

Dream on

Dream on

You and me in a dream
together forever
I always wanna be by your side
you know I've got nothing to hide (alright)

For You I pray everyday
listen boy hear me when I say
how I'm feeling, can't you see
(don't you want me)

Dream On when the love is gone
everytime your down you've always gotta move on
Dream on when the love is gone
everytime your down you've always gotta move on

I will always believe
were two of a kind
and I only wanna see you everytime
I'm waiting for the world to be mine

For you I pray everyday
listen boy hear me when I say
how i'm feeling, can't you see
Don't you want me,

Dream on when the love is gone
everytime your down you've always gotta move on
dream on when the love is gone
everytime your down you've always gotta move on

Dream on when the love is gone
everytime your down you've always gotta move on
dream on when the love is gone
everytime your down you've always gotta move on

Dream on
Dream on
Dream on

Chorus x
Fade's away
