Everything I do

It seem's Like I may be lost in my reflection  
It seem's all I can do is Pray and dream  
On a world Like this  
Everything I do dosen't seem like its enough  
I feel like sometime its going to be the last day on earth  
Oh what would we do then ?

Cos on a world like this  
You dont live forever  
Like you could do in another world  
but not this one oh  
everything I do dosen't seem like its enough  
It seems all I can do is pray and dream

That tommrow comes safe and sound  
That tommrow Dosent end like I might say in this song

Sometimes I feel that tired of it I might feel like  
I want to give up and leave forever  
But thats not the case  
Got to learn to deal with it its the only way to get  
stronger and learn

Oh

Everything I do just dosen't seem enough  
Cos everything I'm not sucks me right in  
Where later on i can't get out  
Everything I'm not dosen't matter  
Cos Love is the only thing I want the most in life

Everything I do just dosen't seem enough  
Everything I'm not dosen't matter  
Cos I am me And nobody can take that away

Oh wish this fraglie Feeling would fade away  
before I go ahead and make a nother mistake  
Ohhh yeah

Everything I do just dosen't seem enough  
Cos everything I'm not sucks me right in  
Where later on i can't get out  
Everything I'm not dosen't matter  
Cos Love is the only thing I want the most in life

Everything Ido dosent seem to work To make u love me  
the way I'm loving u ..  
whats it take now days  
Now days I'm running a hundred miles an hour

Oh I wish this fragile feeling would fade away  
So I can feel a whole lot better

Everything I do Just dosent seem to work to make u  
love me  
The way i'm loving u  
Whats it take?  
To get u right where I need you

Everything I do just dosen't seem enough  
Cos everything I'm not sucks me right in  
Where later on i can't get out  
Everything I'm not dosen't matter  
Cos Love is the only thing I want the most in life.
