It make's me go mmm

it makes me go mmm
moving my body to you
it makes go mmm
making my dreams coming,true

Now I know how love can really be
in a life where its only you and me
everytime I see you I get week
everytime you touch me I feel the heat,

Wanna be with you
yes it's true

It makes me go mmmm
Moving my body to you
it make's me go mmmm
Making my dreams coming true
it make's me mmm

Filling up a world
where we can be as 1
no more lonely nights
since you came around
Oh I hope that you will always stay
that you'll never ever, burn away

wanna be with you
yes it's true

ohh yeah

-It makes me go mmm
moving my body to you
making my dreams coming, true
yeah ohh yeah

its make's me go mmm

Chorus, x fade's away
