"

Its only a dream

you know because I luv u  
I find it so hard not to be near you"  
I feel when I'm dreaming  
Something is trying to grab hold of me"  
and then I wake up and say"  
Thank god it's only a dream"  
Cause if it was real"  
I'd get frightened and loose myself  
For long while

I feel Like NoboDy Can See " I'm there  
I feel like The sky would Just come crashing"Down on  
mE  
because of how much madness' I got going on in my  
life

You know I luv u ,  
I find it so hard not to be near you  
I feel when Im dreaming  
Something is trying to grab me  
and take me away for a lfie time  
then bring me back as something better  
But nothing is as better as what I am now"  
Baby

Thank god this is only a dream"  
Wouldnt' know what to do if it got real  
And I felt like I was so frightened and wanted to run  
away  
from this plant I'm living on,

I've felt i've been to the plant of mars"  
I've felt like I used ot be able to fly"  
Whenever I was so down and fustrated and annoyed"

I' get trampled day by day"  
But I won't go down without a fight"

Cause I'm not that kinda girl  
Just want to be free from the emotions  
Just want to be free from the frustrations"

Just wanna love it"  
my history wouldn't be the same  
if it wasn't for you loving me

Since i can feel your emotion  
its eating into my soul  
I feel so lefted out of this world  
its so hard to believe'

You know I luv u ,  
I find it so hard not to be near you  
I feel when Im dreaming  
Something is trying to grab me  
and take me away for a life time  
then bring me back as something better  
But nothing is as better as what I am now"

Life wouldnt' be the same Without You"  
I just wanna love and learn and grow up"  
To be This lovely person I am within,  
Oh you understand Dont you?

you know because I luv u  
I find it so hard not to be near you"  
I feel when I'm dreaming  
Something is trying to grab hold of me"  
and then I wake up and say"  
Thank god it's only a dream"  
Cause if it was real"  
I'd get frightened and loose myself  
For a long time"

I feel so lucky To have such a beautiful soul"  
I feel so lucky to be able to do this for you,  
I just want to be free from the emotions"  
Just want to be free from this bad dream,  
I said now its' only a dream.
