Just another day

It seems like today was just a dream  
well babe I have to say  
you are in the mind of no it's wrong  
can't you see that this was real  
and I was just a veiW Of NO point  
If You would see then Maybe yOu would understand  
That

I feel like Nobody Knows that I am a person  
I feel like they only care about thereselfs  
well what about the girl I am inside?  
Can't you just sit down and imagine the pain I'm going  
through?  
Yeah Yeah

It seems like today was just another day  
well babe I have to say  
You are in the mind of no it's wrong  
can't you see that this was real  
and I was just a veiW of no point what so ever  
IF only you knew then My Dreams would feel so real  
because you came to renew me after all

It seems like love is never in my life  
It seems like I am always alone  
But Truly I know I am not  
You just don't see the pain I am going through  
Look at mY Life Look at What I've been through  
dosen't that mean anything to you

It seems like today was just another day  
well babe I have to say  
You are in the mind of no it's wrong  
can't you see that this was real  
and I was just a veiW  
Oh no point what so ever yeah

if you only knew then maybe yoU would understand  
that it is real and it's just another day

It seems like today was just a dream  
well babe I have to say  
You are in the mind of no it's wrong  
can't you see that this was real  
and I was just a veiw Oh no Point what so ever
