take it or leave it (i dont care)

Been there Hated it..
didn't feel the emotions
Right until this moment...
So Sick an tired of orders
I'm so sick an tired of things
Getting in my way
And not letting me be for today

What can I do
I can't take it no more
no never never again
I won't let you take the better of me

that will never happen
I am what I am
and all I want is freedom
So take it or leave it I dont care

Say what you like
Do what ya like
WOnt change me one bit
I am what I am and all I want is freedom
So take it or leave it I don't care

Sick an tired of making it your way

Say what you like
do what ya like
wont change me one bit
I am what I am and all I want is freedom
So take it or leave it I dont care

Been there hated it
Will fight what I can
Will pray an pray til theses emotions disappear
Will feel wanted Will feel free once again
Will not take predictable stuff from you
Ohh

So Say what you like
do what ya like
wont change me one bit
I am what i am an all I want is freedom
So take it or leave it I dont care

I will fight what I can
I will enjoy this journey I am spending
Ohhhh
Will not take predictable stuff from you
NO never

Take it or leave it (I don't care)

I'm sick an tired of making it your way
I'm sick an tired of the things you do
that critzie me
I Will fight what I can

So take it or leave it (I don't care).
