what can I do?

What can I say what can I do  
I'm still in love, why aren't you  
I love you From the bottom of my heart  
Oh only my heart knows better  
No1 else In this world

I could Disappear  
Wouldn't feel anyone would care  
I feel i'm at risk  
I can't help feeling this emptiness within

I feel I can fight it within  
I feel when I cant take it  
I will make it it's a sign from my heart  
Love is what makes us go all around  
I feel strong when I dont let negative thoughts  
cross my mind  
Oh baby

What can I say what can I do  
I'm still in love, why aren't you  
I love you From the bottom of my heart  
Oh only my heart knows better  
No1 else In this world

I won't cry if your not the one for me  
But i'll still feel linked to you by soul

I dont want it to be a crime  
If I can't stop loving you  
If you lash out on me  
oh that'd break my heart  
But no I won't cry  
No not for you

ohh

What can I do?

What can I say what can I do  
I'm still in love, why aren't you  
I love you From the bottom of my heart  
Oh only my heart knows better  
No1 else In this world ..

I feel I can fight it within  
I feel when I cant take it  
I will make it it's a sign from my heart  
Love is what makes us go all around  
I feel strong when I dont let negative thoughts  
cross my mind  
Oh baby  
What can I do?.
