With you I'm born again

With you everything around me lights up  
I feel so detached to you  
I bleary dont like being away from you  
cause with you I'm born again  
thats how It feels  
Oh I just love you more then I can say ( yeah )

Things have been so twisted lately  
I feel i've been bored of myself  
I feel like all I do is get frustrated  
and untangled,  
now when I'm with you I don't feel that  
some unknown reason

Chrous

With you I'm born again  
with you things dont get so twisted  
With you I love more then ever was  
with you I change, to who I'd rather be  
cause i got someone to help me  
Sometimes I just wish I had an idea'

Without you things wouldn't be the same  
cause with you i'm born again  
thats how it feels  
I just wish upon a star up high in the sky  
my only thin I believe in the most is you  
and this love i can't make go away

Chrous

With you I'm born again  
with you things dont get so twisted  
With you I love more then ever was  
with you I change, to who I'd rather be  
cause i got someone to help me  
Sometimes I just wish I had an idea'

Throu the twisted momentsz  
I've managed to get stronger and know what its like  
Oh baby  
I just wish upon a star up high in the sky  
your my one thing thats real  
With you I'm born again  
its an extraoridnary feeling

Chrous

With you I'm born again  
with you things dont get so twisted  
With you I love more then ever was  
with you I change, to who I'd rather be  
cause i got someone to help me  
Sometimes I just wish I had an idea'.
