[lil girl](tr)  
Toni estes  
When I grow up  
I wanna be just like you  
Uh-oh  
(and right about now)  
He's back  
(tr presents)  
That's my daddy  
(toni estes)  
An indie lady

[teddy riley]  
Go, yeah, uh-huh  
Come on, toni estes  
Tr, lil zane, flow

[toni estes]  
Tell me what you gonna do  
What you gonna do with a small truck  
Got my own house, own car  
Twenties car  
My own dough, two way cell phone  
With a sweet tone  
Meet me in the 500 top drop se  
With the wife beat, do-rag rocking blue jeans  
Bring the cheese please  
A grown man to show 'em that I don't need

1 - [te]  
Baby I'm an independent lady  
Can't deal with you if you too shaky  
Can't live and pay bills off maybe  
That's crazy  
I'm a hot girl living in my own world  
Shorty ain't nothing going on but the rent  
You gotta have a j-o-b

2 - [te]  
Here's what you can do for me

(lay low)  
Here's what you can do for me  
(get your own dough)  
Here's what you can do for me  
(keep a job)  
Here's what you can do for me  
(think I'm being a snob)  
Here's what you can do for me  
(lay low)  
Here's what you can do for me  
(get your own dough)  
Here's what you can do for me  
(keep a job)  
Here's what you can do for me

[te]  
You might think of me  
And all I think about is me  
To many cats is tryna scam cream  
They don't give a damn about me  
Damn about me  
Take care of myself  
Think about nobody else  
I know if you decided to flip  
I ain't gotta trip  
Cause no playing heart with steal my own shelves

Repeat 1

Repeat 2 (2x)

[lil zane](teddy riley)  
(bring the pain, zane)  
Where the money?  
I've been watching you for a minute  
You're hella photogenic  
And you're playing a game  
And you came to win it  
You probably intimidate niggas for me  
And I'm straight monstorous like a rubber band  
So I can relate  
And I'm known for the 500 drop top  
Doin' it anywhere  
The rolex watch flooded with rocks  
And I had to holla  
I see you and your girl  
Wrists iced up, neck ?  
You're a bad bitch with your own dough  
On the real baby  
(that's what I'm looking for)  
For the independent ladies

And all my single women raising babies  
To them strippers shaking hard, driving my niggas  
crazy  
Let's get this money baby  
Don't let them stop the game  
They buy cars with life savers  
We using pocket change  
And it'll never change  
So won't you say my name  
Tattoo on your arm baby it's lil' zane

Repeat 1...

[tr]  
Hot! hot! hot!  
Ugh, ugh  
What'cha want me to do  
Ugh, ugh  
What'cha want me to do ugh  
Do for what? what? what?  
Ugh, ugh  
What'cha want me to do, for you, you  
I got my own dough  
Get your own dough  
Get your own dough, then flow
