Let's chill, let's chill

From the first time
I saw your face
Boy I knew I had to have you
I wanted to wrap you in
My warm embrace
Visions of your lovely face

All my love is for you
Whatever you want I will do
You're the only one I want in my life
For you I'll make that sacrifice, oh

Let's chill
Let's settle down
That's what I wanna do
Just me and you
Let's chill
Let's settle down
That's what I wanna do
Just me and you

I'm so happy
To have you here standing right by my side
Is it a dream or reality?
Is this a fantasy?
Please don't wake me
All my love is for you
Whatever you want I will do
You're the only one I want in my life
For you I'll make that sacrifice, so

Let's chill
Let's settle down
That's what I wanna do
Just me and you
Let's chill
Let's settle down
That's what I wanna do
Just me and you

Whoa...

Let's chill
Let's settle down
That's what I wanna do
Just me and you
Let's chill
Let's settle down
That's what I wanna do
Just me and you

Forever and ever
Ever and ever
Ever and ever, always
Forever and ever
Ever and ever
Ever and ever, always
