You're telling all your friends that you don't have a clue  
About what is going on, but when you know you do  
So why you hide from your responsibility  
When I gave you all of me, I gave you all of me

Why you wanna run from me like I'm the police?  
Ever since I had your baby, it's like you don't know me  
You said, you'd be there for me, now you wanna play  
dumb  
But the kid is still your son

Why you wanna run from me like I'm the police?  
Ever since I had your baby, it's like you don't know me  
You said, you'd be there for me, now you wanna play  
dumb  
But the kid is still your son

The guilt is killing you, I see it on your face  
You're thinking how could I deny my own baby  
But it's all good 'cause I'll be okay  
Don't really need you now, I'm taking daddy's place

Why you wanna run from me like I'm the police?  
Ever since I had your baby, it's like you don't know me  
You said, you'd be there for me, now you wanna play  
dumb  
But the kid is still your son

Why you wanna run from me like I'm the police?  
Ever since I had your baby, it's like you don't know me  
You said, you'd be there for me, now you wanna play  
dumb  
But the kid is still your son

You told me not to worry about a thing  
But nine months later everything's changed  
You think you got the right to try and clown  
But what goes around comes around, oh

Why you wanna run from me like I'm the police?  
Ever since I had your baby, it's like you don't know me  
You said, you'd be there for me, now you wanna play

dumb  
But the kid is still your son

Why you wanna run from me like I'm the police?  
Ever since I had your baby, it's like you don't know me  
You said, you'd be there for me, now you wanna play  
dumb  
But the kid is still your son

Why you wanna run from me like I'm the police?  
Ever since I had your baby, it's like you don't know me  
You said, you'd be there for me, now you wanna play  
dumb  
But the kid is still your son

Why you wanna run from me like I'm the police?  
Ever since I had your baby, it's like you don't know me  
You said, you'd be there for me, now you wanna play  
dumb  
But the kid is still your son

Why you wanna run from me like I'm the police?  
Ever since I had your baby, it's like you don't know me  
You said, you'd be there for me, now you wanna play  
dumb  
But the kid is still your son

Why you wanna run from me like I'm the police?  
Ever since I had your baby, it's like you don't know me  
You said, you'd be there for me, now you wanna play  
dumb  
But the kid is still your son
