(okay) oh, ooh yeah, hey, hey  
(okay) oh yeah

Yo, what's up, what's going on  
Cut to the point, guess what  
People in our path is talking about  
He going down to the the pool har with his friends  
That's the third time in a week  
He been hanging out in the street  
But I don't know, I didn't see (okay)  
Strange numbers on the caller id  
I ain't trippin, let it go  
Say nothing, do your thang  
Not a problem, but what I don't know  
Is the eye of the game  
Oooh, he ain't fooling me, no, no  
There ain't a lie that he done told  
That I ain't told once before  
Chorus:

You may think it's slick, but I'm not  
He ain't gettin over  
Cos I know what's up (ooh, oh, oh)  
He must think I'm stupid but I'm not  
He ain't telling me  
Nothing I believe (he ain't tellin me)

Don't you think it's slick, but I'm not  
He ain't gettin over (he ain't gettin over)  
Cos I know what's up (cos I know what's up)  
He may think I'm stupid but I'm not  
He ain't telling me (he ain't tellin me)  
Nothing I believe (nothing I believe)  
On the ? something else, he don't know  
I came up, on the call  
To his voicemail, the other day  
Called it up and it say (meet me)  
At the same spot, on the same floor  
In the same room, 'round the same time  
With the same cologne, with the same wine  
That was sipped on last night.  
What the hell does he think he's doing?

Funny thing is, I should be mad, but I'm not  
Can't recognise game, so I'm moving on  
He found a new love, so he can find a new spot  
To lay his head down

\*sound of keys\*

[male voice] hey toni, open the door!  
Creep? wha? no, I'm not a creep, I was down the pool  
har, now c'mon now, girl, open up the door!

Chorus:

You may think it's slick, but I'm not (ooh, no)  
He ain't gettin over  
Cos I know what's up (I know what's up, no, no)  
He must think I'm stupid but I'm not  
He ain't telling me (really think I'm stupid? )  
Nothing I believe (no-no-no-nothing)

Don't you think it's slick, but I'm not  
He ain't gettin over(he ain't - gettin over, no)  
Cos I know what's up  
He may think I'm stupid but I'm not (yeah, yeah)  
He ain't telling me  
Nothing I believe (nothing I believe, no)  
No, no, no, no  
It's time for me to leave you, nooo (I know)  
I put your things outside, better call you a ride  
Cos this so long  
Hey fellas, if you lyin, to your girl  
9 times, out of 10, she knows exactly, what the deal is  
So think twice, before you lie (okay)  
Get by, not bye, when you're stupid  
You ain't slick, and we're through with this, through  
with this

Chorus

You may think it's slick, but I'm not (yeeaahh)  
He ain't gettin over (he think)  
Cos I know what's up (I know what's up, oh)  
He must think I'm stupid but I'm not  
He ain't telling me  
Nothing I believe (he ain't tellin me, no, no, no, no)

Don't you think it's slick, but I'm not  
He ain't gettin over (he think he slick, but he ain't)  
Cos I know what's up  
He may think I'm stupid but I'm not  
He ain't telling me (no, no, no, no)  
Nothing I believe (he ain't foolin, no, no)
