hey Mr. bartender mix me a drink
i really need something to tell me its ok not to think
because I've been to all these bars
and I've seen all these places
I've hit on all these girls
I've heard the same conversations
cab driver cab driver take me away
cuz i already know all the words that you say
and don't be creepin out the window at the first sight of
day cuz every single night it seems to go the same way
i think I've been here before
i think I've run into you
i know the things that you do
cuz this is deja vu
ohhhhhhhhhh this is deja vu
ohhhhhhhhhh this is deja vu
i think I've been here before
i think I've run into you
i know the things that you do cuz this is deja vu
ohhhhhhhhhh this is deja vu
ohhhhhhhhhh this is deja vu
Mr. bartender you will kick me out
and the blonde girl in the back
you'll put your tongue down my mouth
and the greaser in the jacket's gonna pick a fight
and he'll probably kick my ass cuz I'm drunk every
night
officer officer tell me the truth
how many times can i get in trouble with you
before they lock me up for all the bad things that i do
but you don't and thats why this feels like deja vu
i think I've been here before
i think I've run into you
i know the things that you do
cuz this is deja vu
ohhhhhhhhhh this is deja vu
ohhhhhhhhhh this is deja vu
i think I've been here before
I think I've run into you
i know the things that you do
cuz this is deja vu
ohhhh this is deja vu

ohhh this is deja vu
i did it like this
i did it like that
and it always comes back around
i don't know how to break this pattern down(down
down)
i did it like this
i did it like that
and it always comes back somehow
i don't know how to break this pattern down (down
down)
i think I've been here before
i think I've run into you
i know the things that you do
cuz this is deja vu
ohhhhhhhhhhh this is deja vu
ohhhhhhhhhhh this is deja vu
i think I've been here before
i think I've run into you
i know the things that you do
cuz this is deja vu
ohhhhhhhhh this is deja vu
ohhhhhhhhh this is deja vu
