

## 30H3 "Double Vision"

Visit "[Double Vision](#)" on [MotoLyrics.com](http://MotoLyrics.com)

The sun is so hot  
The drinks are so cold  
Your clothes just fall off, as the day goes  
We're gonna stay up, ain't gonna lay low  
We're gonna dance all night because we say so

I'm thinking maybe I cant have relationships  
'Cause lately they're not making any sense  
and baby you're the one thing on my mind and that can  
change anytime

'Cause there's so many fine woman that my head is  
spinning  
and I've lost all feeling everybody's singing like  
hey na na na hey hey na na na na  
hey na na na hey hey na na na na

'Cause there so many fine woman that my head is  
spinning  
and I'm seeing double vision everybody's singing like  
hey na na na hey hey na na na na  
hey na na na hey hey na na na na

Let's do this outside  
Shut down the whole block  
Watch the girls drop by like it's a catwalk  
We're livin' easy  
We got the whole day  
And we can go hard don't matter what the cops say

I'm thinking maybe I can't have relationships  
'Cause lately they're not making any sense  
and baby your the one thing on my mind that I can  
change anytime  
'Cause there's so many fine woman that my head is  
spinning  
and I've lost all feeling everybody's singing like  
hey na na na hey hey na na na na  
hey na na na hey hey na na na na

'Cause there so many fine woman that my head is  
spinning

and I'm seeing double vision everybody's singing like  
hey na na na hey hey na na na na  
hey na na na hey hey na na na na na

I see not vitals on your EKG  
Dead on the dance floor B.O.B  
Clap because we need more 3OH!3  
Blowing out your speakers  
hey, na na na  
Blowing out your speakers

'Cause there's so many fine woman that my head is  
spinning  
and I've lost all feeling everybody's singing like  
hey na na na hey hey na na na na  
hey na na na hey hey na na na na

'Cause there so many fine woman that my head is  
spinning  
and I'm seeing double vision everybody's singing like  
hey na na na hey hey na na na na  
hey na na na hey hey na na na na na
