FUCK THE CLUBS (I'll be getting love in my house)

I'm gonna have a house party in my house.  
I'm gonna pour booze down my mouth.  
I might stay up until the AM.  
Yeah i think tonight i'm just gonna stay in.  
I'm gonna have a house party in my house.  
I'm gonna pour booze down my mouth.  
I might stay up until the AM.  
Yeah i think tonight i'm just gonna stay in.

Fuck if i know if theres a better place to go.  
Cause there ain't no party if it ain't my party.  
Fuck if i know if theres a better place to go.  
Cause there ain't no party if it ain't my party.

I'm gonna have a house party in my house.  
I'm gonna pour booze down my mouth.  
I might stay up until the AM.  
Yeah i think tonight i'm just gonna stay in.  
I'm gonna have a house party in my house.  
I'm gonna pour booze down my mouth.  
I might stay up until the AM.
