"I Know How To Say"

Visit "[I Know How To Say](#)" on MotoLyrics.com

I got a date in San Jose,
I gotta flight that I gotta take tonight,
'Cause I've got plans in Tokyo, Japan,
I've got a cabin in Switzerland.
I got a dinner in Rio de Janeiro,
Wake up next to Pharaohs,
Hungover in Cairo,
Sleepin' in it's the weekend,
New Zealand,
And then it's back to CO,
To rock the show.

[Chorus]

I'm sorry but I have to go (go),
There's so many ladies that I know (know),
You can try to get me here to stay (stay),
But you know that I'll be leaving here today.
(Woah) I gotta go now,
(Woah) I really wanna stay,
(Woah) 'Cause I know how to say,
I'm always in a different time zone,
My home's where I roam.
I'm never gonna stop,
I'm a rolling stone.
(Woah) 'Cause I know how to say,
Love in many different ways.

Stumble in on the streets of Berlin,
We can french kiss through the border fences,
There's underwear on the mic stand in Iceland.
Then it's back to NYC on the MIC,
I've got a party in Saudi Arabia,
Drunk in a building so high in Dubai,
I wanna touch you in a parqua in Russia,
It was nice to see ya,
but this is goodbye.

[Chorus]

I'm sorry but I have to go (go),
There's so many ladies that I know (know),
You can try to get me here to stay (stay),
But you know that I'll be leaving here today.

(Woah) I gotta go now,
(Woah) I really wanna stay,
(Woah) 'Cause I know how to say,
I'm always in a different time zone,
My home's where I roam.
I'm never gonna stop,
I'm a rolling stone.
(Woah) 'Cause I know how to say,
Love in many different ways.

Aishiteru!
Te amo!
I love you!
J'taime!
Everywhere I go always say the same thing.
In Russia,
Japan,
Brazil,
Spain.
Everywhere I go,
They seem to scream the same name.[2X]

(Woah) I gotta go now,
(Woah) I really wanna stay,
(Woah) 'Cause I know how to say,
I'm always in a different time zone,
My home's where I roam.
I'm never gonna stop,
I'm a rolling stone.
(Woah) 'Cause I know how to say,
Love in many different ways.
