She stopped me in the doorway,
She kissed me on the lips,
I don't even know her,
That's just the way it is (that's just the way it is).
Then she touched my hands,
(Oh she touched my hands),
Told me I should be her man,
(T-told me I should be her me),
T-t-t-to show her how to dance,
(T-t-t-to show her how to dance),
This is my one and only chance,
(And that's just romance).

[Chorus]

No I don't wanna be,
The guy to see you go,
And I don't wanna be,
If you don't take me home.
I don't want to see you,
Walk away from me,
I got everything,
That you could ever need.
No I don't wanna be,
The guy to see you go.

Now I'm seein' double,
I'm leaning on a pool cue.
I'm aiming for that black ball,
'Cause tonight they're ain't no last call.
Pour me a pitcher of the cheap stuff,
(Of the cheap stuff),
To chase the taste of these cheap shots,
(Of these cheap shots),
Turn it up on the jukebox,
(T-t-t-turn it up),
I don't wanna have to talk,
(I don't wanna have to talk),

[Chorus]

No I don't wanna be,
The guy to see you go,
And I don't wanna be,

If you don't take me home.
I don't want to see you,
Walk away from me,
I got everything,
That you could ever need.
No I don't wanna be,
The guy to see you go.

'Cause I don't want,
To see you leave,
I grab my coat,
And you grab your keys,
We're all alone,
I find your lips,
Take me home for a goodnight kiss. [2X]

No I don't wanna be,
The guy to see you go,
And I don't wanna be,
If you don't take me home.
I don't want to see you,
Walk away from me,
I got everything,
That you could ever need.
No I don't wanna be,
The guy to see you go.

Go, go, go, go [3X]
