Nice legs, Daisy Dukes makes a man go  
That's the way they all come through like  
Low cut, see through shirts that make ya  
That's the way she come through like

'Cause I just set them up, just set them up  
Just set them up to knock them down  
'Cause I just set them up, just set them up  
Just set them up to knock them down

I think I should know  
How to make love to something innocent  
Without leaving my fingerprints out  
Now, L O V E is just another word  
I never learned to pronounce

How do I say I'm sorry  
'Cause the word is just never gonna come out  
Now, L O V E is just another word  
I never learned to pronounce

Tight jeans, double D's makin' me go  
All the people on the street know  
Iced out, lit up make the kids go  
All the people on the street know

'Cause I just set them up, just set them up  
Just set them up to knock them down  
'Cause I just set them up, just set them up  
Just set them up to knock them down

I think I should know  
How to make love to something innocent  
Without leaving my fingerprints out  
Now, L O V E is just another word  
I never learned to pronounce

How do I say I'm sorry  
'Cause the word is just never gonna come out  
Now, L O V E is just another word  
I never learned to pronounce

Push it baby, push it baby, out of control  
I got my gun cocked tight and I'm ready to blow  
Push it baby, push it baby, out of control  
This is the same old dance that you already know

Push it baby, push it baby, out of control  
I got my gun cocked tight and I'm ready to blow  
Push it baby, push it baby, out of control  
This is the same old dance that you already know

I think I should know  
How to make love to something innocent  
Without leaving my fingerprints out  
Now, L O V E is just another word  
I never learned to pronounce
