Between these walls I used to live  
Without receiving  
So much that I had to give  
Between these walls

There were a lot of things that I could  
Have them differently  
But it ain't about the way I lived  
It's the heart that counts

Comfort, fear, embrace, love and protect me  
Ain't that what I'm here for?  
You said you'd be here for me  
No matter what

How come it feels so cold every time  
You step into this room  
Why does it feel so cold?  
It isn't human

In the spring of '75  
That's when God made a mistake  
He took me here  
To the wrong side

I guess you did the best you could  
But never good enough  
'Cause it's the heart that counts

Comfort, fear, embrace, love and protect me  
Ain't that what I'm here for?  
You said you would die for me  
Remember?

How come it feels so cold everytime  
You step into this room  
Why does it feel so cold?  
I'm freezing

Stuck here with this broken heart  
All I can do is hoping for a full recovery  
Why did you have me in the first place?

Well

Comfort, fear, embrace, love and protect me

Yeah

Comfort, fear, embrace

Baby, just respect me, yeah, yeah

How come it feels so cold everytime?

How come it feels so cold everytime?

Comfort, fear, embrace, baby, baby love me

Baby love me

Yeah, love me, yeah

Ooh, love me, yeah

Just love me, yeah

Just love me, yeah
