(Oh) x18

Whoo!

You show me how to win him, but I won't (but I won't)

Claiming that I'll do it, but I don't (but I don't)

Knowing I'll do anything you want (anything you want)

Pretending that I am someone that I'm not (ooh-oo-oo)

Good God, my mind won't let me think right

I know you're trouble

But I'm determined to create these things up in my  
head that never happen

In time I've got to choose (ooh-ooh-ooh-ooh)

Freedom or loyalty (ooh-ooh-ooh-ooh)

Look at what you have done (ooh-ooh-ooh-ooh)

What am I gonna do? (ooh-ooh-ooh-ooh)

So now that you have made a mess off me (me)

Showed me stars that I had never seen (seen)

I know it's wrong why does it feel so right? (so right)

You haven't got me yet, but you might

Your smiling back at me I wanna do it

I wanna be with you let me get through it

But am I gonna make it back alive?

Will you show me all the things that you can do-oo-oo?

Good God, my mind won't let me think right

I know your trouble but I'm determined to create these  
things up in my head That never happen

In time I've got to choose (ooh-ooh-ooh-ooh)

Freedom or loyalty (ooh-ooh-ooh-ooh)

Ohw Look at what you have done (ooh-ooh-ooh-ooh)

What am I gonna do? (ooh-ooh-ooh-ooh)

Yeah!

Huhh!

Whoo!

Ohh, Good God, my my mind won't let me think right I  
know you're trouble

But I'm determined to create these things up in my  
head that never happen

In time I've got to choose (ooh-ooh-ooh-ooh)  
Freedom or loyalty (ooh-ooh-ooh-ooh)  
Look at what you have done (ooh-ooh-ooh-ooh)
