Graduated fool...  
that is what i am  
for everytime i've failed you  
'cause you're so beautiful  
i just turned and walked away

a jingle with words  
tangle my tongue  
stammering stutter

so i wrote you this song  
to finally tell you what you've known all along  
i love you

believe in me.  
believe me.

it was true devotion  
all these mixed emotions  
so i did it again  
i want you to forgive me  
when the pain is faded, yeah  
we'll be loving again  
believe in me.

Graduated fool...  
i'm better than i am  
that is what you make me  
please hold back your tears  
i didn't deserve you any way, no.

believe in me  
i still care for you  
believe me  
just believe in me  
believe me

when i kiss your face again  
all these mixed emotions  
of pleasure and pain  
i want you to forgive me  
when the pain is faded, yeah

we'll be lovers again...  
and again, and again

believe in me  
you're so beautiful  
believe me  
just believe in me  
believe me
