Hey Michel how's life are you okay?
I wonder if you ever think of me
It's been nine years since that kiss
I cant help but reminisce
Hey michel do you remember?
We walked the street to the beat
hand in hand you and me
smiling faces so in love
hoping that they all could see
that we belonged together
you and me against the world
But we found out the hard way
cause it wasn't meant to be.
Now it's you and her I see.
You were my first and worst love
and so it only could go wrong
but ain't that just the way you learn
Hey Michel I just wanted to let you know
that someone else has stolen my heart
and now another girl has caught your eye
that doesn't mean I don't think of you

I'm just hoping that she'll treat you right
do you remember
how we walked the street to the beat
hand in hand you and me
smiling faces so in love
hoping that they all could see
that we belonged together
you and me against the world
but we found out the hard way cause it wasn't meant
to be
Now it's you and her i see.
It was just a silly dream
