Sir, can you tell me how to get to Jerusalem?  
'Cause I have kinda lost my way  
Sir, will you help me get there as fast as I can?  
Tomorrow might be to late

'Cause  
The things ain't what they used to be  
My love for life is gone you see  
Am I fighting things I cannot see?

People always tellin' me  
How sweet and simple life could be  
They say you might as well live before you die

One thing I know for sure  
I am a danger to myself, how come?  
Yeah, one thing I know for sure  
I need some guidance to get me out of this hellhole

Jerusalem  
Can you help me find my way back, Jerusalem? Yeah

It took me quite some time to get into Jerusalem  
'Cause I had kinda lost my way  
I want to save me from myself, so here I am  
I hope it's not too late

'Cause things ain't what they used to be  
My love for life is gone you see  
Am I fighting things I cannot see?

I am so afraid to love  
'Cause of the way I've been hurt before  
I think by now it's time for me to leave

One thing I know for sure  
I am a danger to myself, how come?  
Yeah, one thing I know for sure  
I need some guidance to get me out of this hellhole

Jerusalem  
Can you help me find my way back Jerusalem?

Jerusalem  
Can you help me find what I have lost? Yeah

Alright  
Things ain't what they used to be  
My love for life is gone you see  
Am I fighting things I cannot see?

I don't wanna die this way  
Wishing that I could turn back time  
Wasted time there is work to to be done

One thing I know for sure  
I am a danger to myself, how come?  
Yeah, one thing I know for sure  
I need some guidance to get me out of this hellhole

Jerusalem  
Can you help me find my way back Jerusalem?  
Jerusalem  
Can you help me find what I have lost? Yeah, yeah,  
yeah

Alright  
Jerusalem  
Jerusalem  
Jerusalem  
Jerusalem
