Haven't I told you, baby
The way you makin' me feel
Givin' me heart fever
God is real

I'm playing it cool as ice
But you makin' me burn inside
Happier for myself
Good man

Now you will never know
The way you me feel all over
You gotta understand
I didn't want no other man
No, all I wanted was you, baby

This wouldn't go without no blisters
But we would find other ways
And make it alright before it's over
No I ain't crazy

Now god would guide us every day
I didn't want another you, no
And even on top of that you told me
Baby, I don't want you gone, gone

It had to be hard for you
Living this kind of lifestyle
Especially with someone
Who is out of her damn mind all the time
You saying I'm crazy, copy that
But you gotta understand
It's the way I am, it's the way I live now

Now I mean no harm to you
Was laying my gun down
And give you all I had to
Have you around

It's not that I don't care
And if you find another lady

But just remember, as clumsy as I am
You were save with Mrs Crazy
'Cause all I wanted was good for you baby, baby

This wouldn't go without no blisters
'Cause we would find other ways
And make it alright before it's over
No, no, no, no, no, no I ain't crazy

'Cause god would guide us every day
I didn't want another you, no
And even on top of that you told me
Baby, I don't want you gone, gone

Baby, baby, baby, baby, baby, baby, baby, baby, baby,
heeyy
No no no, no no no, no no no, no, I ain't crazy, no
No, I ain't crazy
No no no, no no no, I ain't crazy
No no no, no no no, no no no, no no, no no no, no no
no, I ain't crazy
I didn't want another you
I didn't want another you, no
