Yea
It's 5 in the morning
That's what we do
We hardly sleep at all
It's getting late
We just lying here with a mind full of thoughts
Awake, dwelling on mistakes we've made
It's 5 in the morning
And what we'd give to turn back time sometimes to
keep away that pain in life
Can't stop
And how we try to give it so much more
For you my eyes, pride, my Fantastic 4

Only a mother
Only a mother would understand

To the strongest kids I will ever know
Yeah
You're my sunlight on a rainy day
My falling stars when I'm far away
It's 5 in the morning
You're the ones that teach me life
Can't stop
Oh oh oh oh
I'm telling you, baby

Only a mother (Only a mother)
Only a mother would understand

You, only you

I was blessed by God
The moment He heard
He sent you from above
So I could learn how to care and how to love
It's 5 in the morning
You're the song inside my soul
Can't stop
Oh oh oh oh
I'm telling you, baby

Only a mother (Only a mother)
Only a mother would understand
